CABINETS & SIDEBOARDS

INTERNO / INDOOR

Nel mobile Aero Bar lo schienale ed il lato interno dei fianchi sono rivestiti di specchi, sono dotati di vassoio asportabile in Solid Surface bianco. Il piano del mobile bar è dotato di uno scuretto di 10 × 10 mm, che permette l'apertura dei frontali. I contenitori a terra poggiano su un traliccio nero dotato di piedini regolatori in ottone lucido.

In the bar cabinet Aero Bar, the back and the internal sides of the structure are fitted with mirrors. The internal side of flap-down door is fitted with a panel in white Solid Surface. The top of the cabinet has a 10 × 10 mm milling, the resulting gap allows the doors opening. Self-standing cabinets rest on a black trestle, fitted with adjustable feet in polished brass.
