

TAVOLI
TABLES

INTERNO / INDOOR

Il basamento dei tavoli Deville è sempre composto da un corpo cavo realizzato in cemento ad alto rendimento disponibile nelle varianti concrete light e concrete dark. Il piano può essere in laccato opaco oppure in rovere massiccio nelle finiture naturale o tinto nero.

The base of the tables Deville is always composed of a hollow body made of high-performance concrete available in the finishes concrete light and concrete dark. The top is available in matt lacquered or in massive oak natural or black stained.
