BOOKCASES & SHELVES

INTERNO / INDOOR

Mensole realizzate con elementi uniti a 45°, vengono verniciate già assemblate e ciò le fa apparire come un unico monolite. Sono dotate di un pannello da fissare a muro su cui agganciare la mensola. Il pannello a fine montaggio sarà invisibile.

Shelves made of elements joined at 45 ° which are painted after being assembled, making it look like a single monolith. Featuring a panel equipped with a wall hook system for height adjustment. The panel cannot be seen once the piece is assembled.
