INTERNO / INDOOR

Pannelli boiserie profondi 47 mm e realizzati con elementi uniti a 45°. Nella parte inferiore del pannello può essere inserita la luce LED. Sono utilizzabili singolarmente, sovrapposti o accostati fino al raggiungimento della dimensione desiderata. Sono attrezzabili con mensole, ripiani, contenitori e cassettera. La mensola L 920 P 460 mm funge da piano scrittoio.

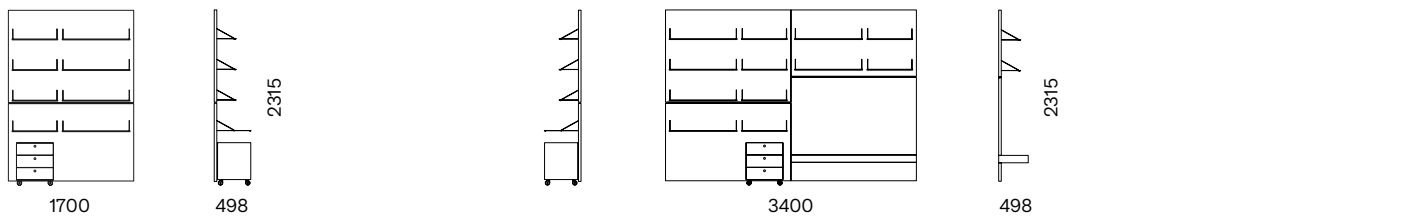

47-mm-deep boiserie panels composed of elements joined at 45°. An LED light can be inserted at the bottom of the panel. They can be used individually, overlapping, or placed side by side, in order to achieve the desired size. Shelves, supports, containers and drawers can be added. The 920 × 460 mm shelf acts as a desktop.
