INTERNO / INDOOR

Sistema di specchi con cornice a sezione cilindrica e lato inferiore stondato. L'aggancio a muro avviene tramite un pannello non regolabile. Per le combinazioni su più livelli si utilizzano pannelli distanziali in tamburato. Lo specchio è disponibile nelle versioni argentato, grigio e bronzo.

Mirror system with cylindrical section frame and rounded lower side. Fixed to the wall by means of a non-adjustable panel. For multi-level combinations, spacer panels made of honeycomb are used. The mirror is available in silver, grey and bronze versions.
